

ADAM LEITMAN BAILEY, P.C.

NEW YORK REAL ESTATE ATTORNEYS

SEEKING LEGAL EXTERNS

At Adam Leitman Bailey, P.C., we choose only the most talented applicants. We look for candidates who have the potential to be great at our firm. Once we hire someone, the training, mentoring, and teaching never stops. We strive for greatness in everything we do and expect our externs to do the same. We encourage externs to express their opinions and share their ideas to constantly improve our work.

Our externs become lawyers-in-training and are part of the legal team, learning on the case or deal. Being assigned to active cases and made part of the team has given externs the ability to produce amazing results. Legal interns and externs will participate in a wide range of tasks that may include case investigation, legal research, and discovery, meetings with clients and experts, and preparing memoranda, briefs, and other legal documents for administrative, judicial, and transactional proceedings. These exciting cases require hard work from the smartest, most passionate and committed students who are ready to change the world one real estate case at a time. Adam Leitman Bailey, P.C. has some of the most challenging and high profile cases in the nation, and staff expertise really does make a difference for our clients and the community. We also value balance, and offer "work perks" that include a travel stipend, free event tickets upon request, office snacks and "spa days."
