Hello my friend. How are you? We are getting a little more momentum on 212 Dune Road. The original buyer came back around. Do you think Dan is still interested?

Today 4:00 PM

All good. Just got back from being in Asia for 3 weeks. Work and vacation.

I think he is interested but he hasn't closed on his existing house yet. Call him at [516-561-9500](tel:516-561-9500). That's his office (Dan Serota). He knows u will be calling.

Can you call me please?

Not now. Showings.

Ok. Should I call him?
